

Girls between the ages of 4-10 years
wear soft ballet slippers to class.
Generally, the transition to pointe shoes
is perceived to be painful for children.

The Grishko® Company specialists have developed
a unique range of children's preparatory pointe
shoes called «3 steps to a dream».

This line includes 3 models:
«EXAM», «ALICE» & «NOVICE»
which help children's feet to adapt gradually,
step by step, without pain.
